Meifod Wood Products Brochure

About Meifod Wood Products

We are Meifod wood products based on the Colomendy industrial estate in Denbigh. We manufacture wooden garden furniture in our workshop as well as providing a work opportunity service for adults with learning disabilities.

Our high-quality lines of garden furniture includes benches, picnic tables, and planters, all crafted with care and skill by individuals who are part of our supported employment programme.

These products not only offer a durable and environmentally friendly solution for outdoor seating but also provide a comfortable place for our customers to relax in their own gardens.

Each piece of furniture is crafted using sustainably sourced wood, ensuring it is both aesthetically pleasing and built to last.

By purchasing from Meifod, you're not only contributing to the local economy, you're also making a positive social impact by supporting individuals with learning disabilities in gaining valuable skills and employment experience. The longevity of the product is easily visible around various Denbighshire communities as we have provided our items for many years to local town and community councils.
